## **Process of VPN request**

Visit ugykezelo.elte.hu website. Login requires IIG ID (caesar) and associated password:

Eötvös Loránd University
** ==
CENTRAL LOGIN
The page you requested needs authentication.
Please select your authentication method using the following icons:
Please enter your IIG ID and your password:
IIG (caesar) ID
Password
Login
If you are an ELTE citizen and you don't have an IIG ID, you can apply for one online using our <u>Online Customer Service</u> , or personally at ELTE IT Directorate's <u>Operator Service</u> .

It is important that the request is only possible by logging in with an IIG (caesar) ID.

You can finalize the process shown on the following figure with the "Submit" button:

Password change	Requesting VPN access				
<ul> <li>Personal profile</li> <li>Requesting wireless access</li> <li>Requesting VPN access</li> <li>Requesting Caesar access</li> <li>Requesting wired end activation</li> <li>Notification of wired end malfunction</li> <li>Requesting DNS registration</li> <li>Modifing DNS registration</li> <li>Show case detail</li> <li>Listing my cases</li> </ul>	By filling out the form below, you request access to the Virtual Private Network (VPN) of the University. With this You can work over an encrypted tunnel from remote location, You can access services with IP-s from ELTE Network at your desktop. This access is available only for the employers of the University.         You raccount is:       (this will be your VPN access)         You might use a password for this service that is different from the one used for other IIG services (e.g. login or mail service).         Requesting independent password for VPN access:         Please enter a new password for technical reasons. (If you did not request a separate password for wireless access, then your Caesar password will also change now.)         Password:         Confirm password:         Please choose a continuous password that is at least 6 characters long and includes capital letters of English alphabet and numbers.				
Current Username:	E-mail notification: Z to the following address: By submiting this form Your access will be ready for use immediatly and You receive an e-mail about it if You want. By requesting Virtual Private Network (VPN) access You accept the coresponding Service Level Agreement (SLA).				
	Submit				

Here you can choose a password that is independent of your IIG ID or require an email notification by checking the appropriate checkbox.
